

## **CLARK'S POINT RENDEZVOUS & NATIVE AMERICAN ARTS & CRAFTS**

**Saturday, June 7, 10:00 to 6:00**

**Sunday, June 8, 10:00 to 3:00**

**George Rogers Clark Home Site  
Harrison Avenue, Clarksville, Indiana**

This Early 1800's Re-enactment features period Settlers, Traders, Native Americans, Militia and Craftsmen on the hill called Clark's Point. The land was once owned by General George Rogers Clark, and it is to him that we pay homage at this event. A reproduction of his cabin, furnished with period items and biographical information, looks out over the scenic Ohio River. Sit a spell on the porch, take in the view and let yourself slip back in time, to experience life in the early 1800's.

The Native American Arts & Crafts Show (formerly known as Sun Circle Celebration) takes place on the parking lot level, with a great variety of handcrafted items, including hand-painted gourds, Native flutes, unique jewelry and much more. Native American folkways demonstrations will take place on the lawn.

Bison stew and burgers may be purchased, along with other traditional and non-traditional fare.

This event is organized by the Falls of the Ohio State Park. Call 812-280-9970 for more information
